

California OES Weather Threat Briefing

Monday, November 9, 2020
9:00 AM PDT

- **Day 1 (Monday):** Cold mornings and cool daytime temperatures are expected through at least the first half of the week, including widespread freezing temperatures in the mornings

National Weather Service
Western Region Headquarters
Regional Operations Center
Salt Lake City, UT

WEATHER KEY POINTS

11/09/20 - 11/15/20

Monday-Wednesday

- Much quieter weather expected through early and mid week, though a few small chances for light rain and high elevation snow will exist across far northern California
- Cold mornings and cool daytime temperatures are expected through at least the first half of the week, including widespread freezing temperatures in the mornings

Thursday-Sunday

- The next series of storm systems could move through the state Thursday through Sunday
 - Details are low confidence at this time, but periods of moderate to heavy rainfall, mountain snow, and gusty winds are possible, especially in northern California
